Our company

Ivory & Ledoux is part of the Gerber Goldschmidt Group which has more than 100 years of trading experience, with many associated offices worldwide.

What we do

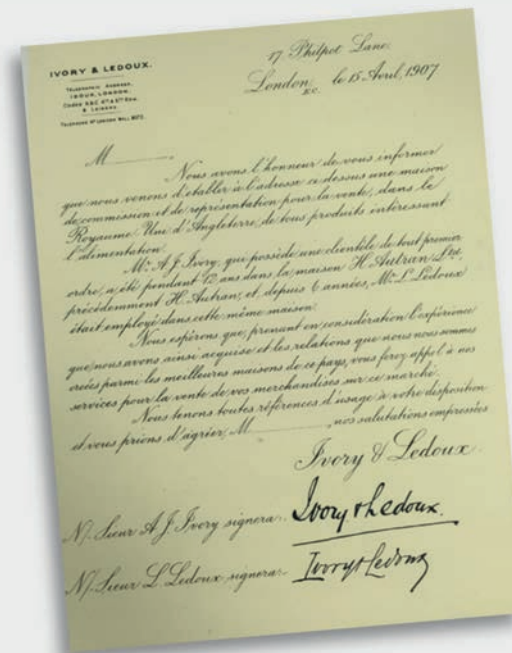

At Ivory & Ledoux, we cover all aspects of the food supply chain, from sourcing to delivery. We work with clients to create premium foods for their brands, as well as distributing our own labels.

Our history

Mr A.J. Ivory and Mr L. Ledoux founded Ivory & Ledoux in 1907 to improve the quality and variety of ingredients for the UK food industry, combined with a professional and personal service.

Our experience in responsible sourcing, industry insight and passion for food has allowed us to work with some of the largest companies in the market.

We have an established and growing portfolio of more than 250 products. We are proud of our heritage and what we have achieved, and we are excited for future growth.

Sourcing

We are committed to providing the best level of quality ingredients from around the world, at the right prices

Delivery

With our efficient distribution system we will meet your delivery requirements, whether bound for the UK, Ireland or worldwide.

Technical expertise

Our technical strength has been established through a long tradition of industry excellence. Led by our highly qualified in-house technical team, we are available to share our knowledge in the areas of product development, quality assurance, product sampling and grading.

Ethical policy and standards

We are dedicated to sourcing responsibly grown, ethically traded ingredients. We promote responsible farming practices and believe in a better future for our farmers and fisheries. We have developed long standing relationships with approved suppliers around the world who share our values and have a commitment to positive change.

We are proud to adhere to the highest possible standards set by globally recognised and trusted external organisations.

Our products

We supply only the highest quality products, available in a range of packaging options-including tins, pouches and drums-to suit your specific requirements. Products can be delivered under our in-house brands or customers' own brands, providing maximum flexibility for your business, whether spot sales or longer-term contracts. Products can be delivered from mixed pallet drops to full container loads (palletised or loose loaded).

Our commitment to excellence is further backed by strict quality assurance: every product is manufactured in facilities certified to BRC or IFS global food safety standards.

We are proud to hold Grade AA BRC certification-reflecting our dedication to food safety, quality, and consistency.
